**Epidemiology and Genetics
Research Program**

**Noon–1 p.m. • April 23, 2007 • Executive Plaza North
Conference Room G • 6130 Executive Boulevard • Rockville, MD**

Denise Wiesch, Ph.D., M.P.H.

Scientific Review Administrator
Center for Scientific Review
National Institutes of Health

The NIH Peer Review Process

The Epidemiology and Genetics Research Program (EGRP) manages a comprehensive program of grant-supported, population-based research that brings to bear the expertise of scientists to increase our understanding of cancer etiology and prevention. Scientists from throughout the United States and internationally are supported.
